# COMMUNITAS RETREATS

The frantic pace of life, the increasing demands on our time and energy, and the overwhelming torrent of information coming at us 24-7 have left most of us feeling tired, frustrated, and emptied. This isn't the life we want, but how do we get off the roller coaster and begin to recover our souls?

For generations, people have gone on spiritual retreats to encounter God and experience spiritual renewal. Retreats remove us from noise and distraction, and into a place of spiritual refreshing and renewing. It is a way of entering into the presence of God so that He is able to nourish our souls. As we settle into the stillness, we notice the stirrings of our soul, our deeper longings, and God's quiet whisper to us.

So, what do we offer?  
See other side and find out.
