For generations, people have gone on spiritual retreats to meet God and experience spiritual renewal. Retreats take us away from noise and distraction, and bring us to a place of spiritual refreshment and renewal. It is a way to enter into the presence of God so that He is able to nourish our souls and strengthen our spirits. When we settle into silence, we notice the stirrings of our soul, our deeper longings, and we notice the fingerprints of God in our lives.

Jesus regularly withdrew from the crowds to be alone with the Father. He often went to lonely places, sometimes for extended periods of time. Where and when do you retreat? Do you long for rest, nature, focused time with God, intimacy with Him, hearing His voice, a time of encouragement and connection? Away from all the distractions and busyness? If this is you, we invite you to retreat and let your soul be refreshed in the presence of God.

What will this include? A relaxing weekend away, enjoying a quiet rural setting, good meals, private room with toilet/shower along with a varied program involving...

- collective times of reflection, meditative exercises and sharing
- connection with others
- time for yourself
- the option of receiving 1-on-1 spiritual direction by a trained spiritual director
