Emotionally Healthy Relationships

The basic premise of emotionally healthy spirituality is that one cannot become spiritually mature while remaining emotionally immature. In this 8-week course, Peter and Geri Scazzero describe how loving God and loving others cannot be separated. This course will help you develop mature, loving relationships by learning 8 foundational relationship skills as well as help you grow in your personal relationship with Jesus by incorporating, silence and scripture as daily life rhythms.

Each of the 8 sessions offers short video teachings as well as ample time for group exercises, discussion and personal sharing. In between sessions, a daily devotional helps one dig deeper into the the material as well as to help one practice the presence of God on a daily basis.
