EMOTIONALLY HEALTHY SPIRITUALITY

The basic premise of emotionally healthy spirituality is that you cannot be spiritually mature while remaining emotionally immature. In this 8-week video-based course, Peter Scazzero describes the top 10 symptoms of emotionally unhealthy spirituality. He then unpacks the 7 biblical pathways to guide you into an experience of lasting, beneath-the-surface transformation in Christ.

Each of the 8 sessions offers short video teachings as well as ample time for group exercises, discussion and personal sharing. In between sessions, a daily devotional helps one dig deeper into the material as well as to help one practice the presence of God on a daily basis.
